USE OF FORM - Use this form and MCM, 1984, Appendix 14, will be used by the trial counsel and the reporter as a guide to the preparation of the record of trial in general and special court-martial cases in which a verbatim record is prepared. Air Force uses this form and departmental instructions as a guide to the preparation of the record of trial in general and special court-martial cases in which a summarized record is authorized.

Army and Navy use DD Form 491 for records of trial in general and special court-martial cases in which a summarized record is authorized. Inapplicable words of the printed text will be deleted.

COPIES - See MCM, 1984, RCM 1103(g). The convening authority may direct the preparation of additional copies.

ARRANGEMENT - When forwarded to the appropriate Judge Advocate General or for judge advocate review pursuant to Article 64(a), the record will be arranged and bound with allied papers in the sequence indicated below. Trial counsel is responsible for arranging the record as indicated, except that items 6, 7, and 15e will be inserted by the convening or reviewing authority, as appropriate, and items 10 and 14 will be inserted by either trial counsel or the convening or reviewing authority, whichever has custody of them.

2. Judge advocate's review pursuant to Article 64(a), if any.

3. Request of accused for appellate defense counsel, or waiver/withdrawal of appellate rights, if applicable.

4. Briefs of counsel submitted after trial, if any (Article 38(c)).

5. DD Form 494, "Court-Martial Data Sheet."

6. Court-martial orders promulgating the result of trial as to each accused, in 10 copies when the record is verbatim and in 4 copies when it is summarized.

7. When required, signed recommendation of staff judge advocate or legal officer, in duplicate, together with all clemency papers, including clemency recommendations by court members.

8. Matters submitted by the accused pursuant to Article 60 (MCM, 1984, RCM 1105).

9. DD Form 458, "Charge Sheet" (unless included at the point of arraignment in the record).

10. Congressional inquiries and replies, if any.

11. DD Form 457, "Investigating Officer's Report," pursuant to Article 32, if such investigation was conducted, followed by any other papers which accompanied the charges when referred for trial, unless included in the record of trial proper.

12. Advice of staff judge advocate or legal officer, when prepared pursuant to Article 34 or otherwise.

13. Requests by counsel and action of the convening authority taken thereon (e.g., requests concerning delay, witnesses and depositions).

14. Records of former trials.

15. Record of trial in the following order:

a. Errata sheet, if any.

b. Index sheet with reverse side containing receipt of accused or defense counsel for copy of record or certificate in lieu of receipt.
